## Class History

In September of 1941, 25 first graders were greeted by Mrs. Williams. Out of 25 there are 9 remaining — Margaret Mosher, Martha Lawton, Patricia Ginter, Ivan Dague, Prem Sampsel, Dick Roberts, Corwin Miller, Fred Rice, Charles Scott.

The following year Mrs. Browning tried to follow in the footsteps of Miss Williams. Martha Stuckey, Herbert Cooper and Don Jameyson joined us.

Miss Grimm, our third grade teacher, welcomed us along with a new girl, Joan Warner.

We all arrived in the fourth grade with smiling faces. We were saddened to find that at the end of the year we were to lose Martha Stuckey. Miss Morton taught us here.

We flew into the 5th grade where Miss Kiplinger was waiting with a smiling face. Don Jameyson left us and John Moss joined us.

In the sixth grade Mrs. Harmon supervised us in collecting sales tax stamps for pictures and a radio. Our new classmates, Lorene Pope and Dale Franks came to help us on our new project. Ivan Dague left us.

The next year we were quite proud to know that all of us reached the 7th grade. Although we were very green, Miss Webb, our advisor, helped lead the way for us.

In the eighth grade Mrs. Schafer greeted us. She tried to tame us down with her ruler and detention slips, but we got away with a lot. Martha Stuckey joined us again this year.

We must have been very trying in the ninth grade. We had two advisors: Coach Dohonas

and Mrs. Snell. The new students were — Stanton Love and Bill McCure. Bill was here for only two months at the end of the year. At the Fall Fair that year we won 1st place for our float. I guess we're just hillbillies after all.

In our sophomore year Mr. Wright encouraged us in our endeavors and kept us cheerful with his lively jokes. For our class project we sold emblems and jackets. A new member arrived whose name was Fairy Johnson.

Our Junior year has finally arrived. We met our new teacher, Mr. Baker. I don't think any of us will ever forget our Junior year. We had several new students — Evelyn Hall, Charles Snell, and Charlotte Grim. They helped us in putting on our successful play, "It's Never Too Late," under the direction of Mrs. Eastman.

We sold basketball pencils and made a success of the football stand, also had two scrap-drives.

The biggest event of our Junior year was the Junior-Senior Banquet at the Springvalley Country Club on the 18th of April.

HURRAH!! We are finally Seniors and are in our biggest and last year. Although we had previously missed out in having Mr. Weagraff, we finally got him this year to our great surprise.

"A Good Egg," under the direction of Miss Sechrist, was a booming success for the Senior class. Ivan Dague, Bill McClure, Martha Stuckey Underwood joined us again in our final year.

# ***Last Will and Testament of The Class of 1953***

We, the class of 1953, in twenty and one distinct parts, being of sound mind and memories, do make and publish this, our last will and testament.

## **SECTION I**

- ARTICLE I To Mr. Woods, we leave our government books, over which we so tediously studied. (HA! HA!)
- ARTICLE II To Mr. Weagraff, we will the peace and quiet of our home room, which will reign after we leave.
- ARTICLE III To Miss Sechrist, we leave the library, a little worse for wear.
- ARTICLE IV To Miss Gosden, we leave a gold-lined detention hall pad for next year.
- ARTICLE V To Coach McCoy, we leave all the unclaimed gym equipment in the furnace room.
- ARTICLE VI To Miss Wilhelm, we leave that last period study hall — knowing it will never be the same.
- ARTICLE VII To Mr. Skurvid, we leave all our absence blanks, which the last teacher never returned to the office.
- ARTICLE VIII To Mrs. Schafer, we will our ability to be sick and miss school, because she could stand a rest.
- ARTICLE IX To Miss Smith, we leave the cafeteria and all the times we managed to eat early.
- ARTICLE X To Larry Butdorf, we leave all the slightly used gum under the desks.
- ARTICLE XII To Mr. Burton, we leave all the shop equipment in hopes it can be repaired.
- ARTICLE XI To Mr. Weir, we thank for all the school we got out of on those field trips.

## **SECTION II**

- ARTICLE I To the Juniors, we will our trials and tribulations of the past year. May you get through them with less trouble than we have.
- ARTICLE II To the Sophomores, we will our dignity (what we have of it). We hope you are in full possession of it by the time you are seniors.
- ARTICLE III To the Freshmen, we will three more wonderful years of high school. Have fun, kids!

## **SECTION III**

- ARTICLE I Stanton Love wills his ability to get home very early on Friday nights to Skip Bryant, and his bashfulness with girls to Windy Williamson. (Which they both could use more of.)
- ARTICLE II Charles Scott wills his ability to be late and to miss school because of work (?) to his brothers and hopes they can get away with it like he did.

- ARTICLE III Fred Rice wills his ability to go home for dinner at 11:30 to anyone who wants to try it.
- ARTICLE IV Margaret Mosher needs everything she has, but since it is compulsory to will something, she wills her quiet ways to Patty Warner.
- ARTICLE V Martha Lawton wills her suit she's making in Home Ec class to her sister, Rachel, to finish.
- ARTICLE VI Lorene Pope wills her position on the basketball team (second string) to Paula Sheppard. Who knows, maybe Paula will play a whole quarter. She also wills her attendance record (8 yrs.) to anyone that can resist skipping school. How about a try at it, Barbara Hall?
- ARTICLE VII Martha Underwood wills her ability to catch a man to Bum Farnsworth.
- ARTICLE VIII Joan Warner wills her ability to go steady (every time she turns around) to Shirley Tomes.
- ARTICLE IX Fairy Johnson wills her position as alto in Girls' Ensemble to Connie Gilbert. Good Luck, Connie.
- ARTICLE X Evelyn Hall wills her Homecoming Queen position to her sister, Barbara.
- ARTICLE XI Pat Ginter wills her seat in the back of government class to Barbara Brainard.
- ARTICLE XII Charles Snell wills his farming ability to any city-slicker.
- ARTICLE XIII Don Jameyson wills his knack of staying out of trouble to Loyal Sanford.
- ARTICLE XIV Dick Roberts wills his Black Henry Ford to Russ Weaver.
- ARTICLE XV Ivan Dague wills what ever he has to who ever wants it.
- ARTICLE XVI Herb Cooper wills his ability to get along with Miss Gosden to Johnny Warner.
- ARTICLE XVII John Moss wills his past ability to beat up on seniors to next year's Junior class.
- ARTICLE XVIII Prem Sampsel wills his ability to get along with mothers-in-law to Dick Snader.
- ARTICLE XIX Charlotte Grim wills her ability to get a ride home from school at night to anyone who would like it.
- ARTICLE XX Dale Frank wills his Dodge to anyone who thinks they can afford the up-keep on fenders.
- ARTICLE XXI Corky Miller wills his ability to keep out of trouble to Jack Gossard, who seems to have a pretty good start already.

Besides these bequeaths we leave our best wishes to any and all who desire them.

In witness whereof, we, the Class of 1953, the estator, have set our hand and seal this 3rd day of June in the year of 1953.

I. M. Nuts  
U. R. Crazy

## Class Prophecy

Dear Fred,

I have a few spare moments from my escort service and thought I would write you a few lines. We had a big party last week. All the members of "53" were present except you. I read in the paper where you expanded your automobile business into a "Hot-Rod Shop." We are happy you're doing so well in San Francisco.

Martha Underwood was there with her dozen kids. They always say "Cheaper By The Dozen." Patty Ginter was helping her run after the brats. Patty now runs the "We change it, powder it, watch it, Diaper Service."

Charles Scott furnished the food since he runs the "Dried Up Stale Food Co." Working for Scotty is Charlie Snell, "Connoisseur of Fine Tobaccos."

Dick "Lefty" Roberts is baseball coach of the "Tidy Misses College For Young Women." He's assisted by Dale Frank who bandages ankles, knees and any sore spots. What a life!

John Moss is now running a Turkish bath for "Overweight Women." Charlotte Grim lost one pound in three months. Where she lost it I don't know.

Ivan Dague, the prominent nuclear physicist, has just finished his book, "The Atom and I." Every home should have one. He also is working on the last step of his experiment, Non-sticking Bubble gum. His advice is, "Don't chew it."

Stanton Love is now head of a big airline which operates between Lodi and Congress. There has been no increase in the personnel of the airline due to Stan's shyness in popping the question.

Corky Miller, as you know bought out Eli Derhammer's Plumbing Business. Cork specializes in leaky pipes and faucets.

Martha Lawton is now having a romance with Alan Ladd, her leading man in her latest film hit, "The Flaming Kiss." We hope this turns out alright since it is her fourth marriage.

Don Jameyson is still working at Benson's. He now supervises the opening of all oil cans. The rest of his time is taken up by running "Midnite Auto Supply" (where has he been getting all his latest model hubcaps?).

Prem Sampsel has been going to college for six years now. It seems Prem likes college. Oh! I forgot to tell you Prem is the only boy ever to attend Lassar.

Margaret Mosher was there, I'm sure you wouldn't have recognized her with her new hairdo. She now runs the "Lodi Dye Shop." She dyes hair any color—but red, that is. If you die she pays all funeral bills.

Lorene Pope sure has come up in the world. She has put Lodi on the map by becoming a lady wrestler. Her nickname is "Bald Eagle." Maybe they call her that because of her hair-cut (no hair).

Charlotte Grim and Evalyn Hall have just started a school. Evalyn teaches the subject "How to Skip School and Get Away With It." Charlotte teaches "How to Make Eyes at Mr. Wood and Get Good Government Grades."

We always wondered why Fairy Johnson was saving her money. She bought herself a Niteclub outside of Lodi. She also is the main feature. She's known as "The World's Most Famous Bubble Dancer."

Herb Cooper is working as chief bouncer and bartender. He also blows the bubbles.

Of course we invited Mr. Weagraff. He couldn't come. It seems his wife had her third set of triplets and it was too much for him; he's recuperating at Massillon.

Well, Maynard just came in so I'll have to close.

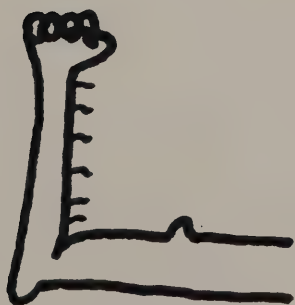

Your classmate,

Joan

The Student Council is an organization elected by the student body to represent the school. This council consists of two students from each Senior High class and one student from each Junior High class.

The council's main purpose is to approve requests for parties and other activities. They help provide entertainment during the noon, set up interesting assemblies and supervise election of cheerleaders. With the help of the advisor the council tries to give the students a feeling of responsibility in helping to make their school better.

This club is open to all interested students of the sophomore, junior and senior classes who meet the basic scholastic requirements. Each year the club puts on a three act play in the spring, but the group is also responsible for several one act plays which are given for assembly, community groups, or club programs. This year the Christmas assembly was "The Friday Foursome Packs a Box." The play for the County One-act Festival was "The Professor Roars" and was given on March 24. The major production in late April was "Room for One More."
